Pray and Play is back! – What's Pray and Play? Moms, Dads and their kids together at the St. Hugh playground once a week, on an as do-able basis. The grown-ups pray a Rosary and enjoy some grown-up time while the kids have a great time playing, eating, etc. We will begin this again on Wednesday, June 17th at 10 am at the big playground at St. Hugh. If it rains, we will gather in the gym. Rosaries and booklets will be available! You can bring snacks/drinks for your kids and even a picnic lunch, depending on how long you want to stay. You might also want to bring a chair, as the balance beam only works for a short time as a seat! If you have any questions, please email Kathi Kramer, DRE, at kkramer@sthughs.com. Hope to see you over the summer!

Fourth of July Fun Fair!

The Fourth of July Fun Fair is quickly coming together! Our school will be hosting the used book sale and a hands-on science experiment station. This event has the potential to raise thousands of dollars for our school, and to increase our visibility in the wider Prince George's County community. Come out and support our school at this fun-filled family event!

From the Office of the Principal

The teachers and students are looking forward to tomorrow, our last day of school. The children and their instructors have worked very hard this year and certainly deserve their summer break! I am truly proud of all of the hard work and dedication that our teachers have poured into our school this year. There were many obstacles to overcome, but they were successful because they never lost their focus on our students.

At the end of the year, after teachers have taught their final lessons, and have taken down the classroom decorations and calendars, there is a time of reflection. I believe this year, each teacher will be able to look back and take pride in a job well done. We are blessed with a truly dedicated staff. I am so very proud of them all and ask you to join me in thanking them for all they have done.

In His Service,
Tiffani James
